### How to claim a FREE standard installation:

The government department for Digital, Culture, Media and Sport (DCMS) can provide funding to help with the cost of your gigabit capable full fibre connection.

- Yes, I want to take advantage of the DCMS scheme to claim my FREE standard installation. I give consent for my contact details to be sent to the DCMS solely for this purpose.\*
- No, I do not want to take advantage of the gigabit scheme and understand I will be liable for the standard installation fee.

\*Contact details consist of name, email address, phone number and postal address.

### Important information

The phone service runs through the internet connection.

In the unlikely event of a powercut or service failure, the phone will cease to work, including calls to the emergency numbers 999 and 112.

These situations may be caused by events outside of Truespeed's control.

We guarantee speeds directly to your router. Wi-fi speeds can vary depending on the device used, thickness of walls in the property and distance from the router. If you currently use Wi-fi extenders, please keep these and reconnect them to your Truespeed router.

- Please tick this box to acknowledge that you understand.**

### Marketing Consent

We may want to update you in the future for marketing purposes via email, phone or post.

- Please tick this box if you are happy for us to contact you**
